Re: Your Letter Regarding April Quarterly Report (1/1/2016-3/31/16) dated June 6,2016

Dear Ms. Miller,

In response to your letter we have prepared an amendment for Schedule E providing the missing state of the Presidential Primary for one of our independent Expenditures.

We have attempted for two days to file the amendment using our FEC File program and the FEC electronic system. We have received an error message stating that we cannot amend a "new" report. We contacted the FEC for technical assistance in fixing this issue.

We, of course, are not trying to amend a new report but rather the quarterly report filed in April.

Apparently we will not be able to file our amendment until this issue is resolved.

Therefore, we are providing the information in this Miscellaneous Electronic Submission to show that we are making every effort to comply with the request in your letter.

The transaction in question is a \$5000 payment to Liftable Media on January 7, 2016. We reported the expenditure was for "Facebook Promotion". The expenditure was for the Iowa Caucuses and our amendment will reflect that fact as soon as we are able to file it.

I believe that was the only outstanding issue in your letter and we hope that this response will suffice until we resolve our technical issues.

Sincerely,

Norman M. Olney
Treasurer
